

std::true_type

```
classDiagram
    class std_true_type["std::true_type"]
    class detail_is_like_std_string_view["detail::is_like_std_string_view<fmt::basic_string_view<Char>>"]
    detail_is_like_std_string_view --|> std_true_type
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'std::true_type' in its top section, with two empty sections below it. The bottom box is gray with a black border and contains the text 'detail::is_like_std_string_view<fmt::basic_string_view<Char>>' in its top section, with two empty sections below it. A blue arrow points from the top edge of the gray box to the bottom edge of the white box.
