

unsigned

The diagram consists of two main components. At the top is a white rectangular box with a black border, divided into three horizontal sections. The top section contains the text 'unsigned'. A blue line originates from the bottom of this box and extends downwards. To the right of this line, there is a list of expressions: '+cri', '+li', '+ri', '+subband\_diff\_cqi\_first\_tb', '+subband\_diff\_cqi\_second\_tb', '+wideband\_cqi\_first\_tb', and '+wideband\_cqi\_second\_tb'. The line terminates at a blue diamond shape, which is connected to the top of a gray rectangular box. This gray box is also divided into three horizontal sections. The top section contains the text 'srsran::ri\_li\_cqi\_cri\_sizes'. The bottom two sections are empty.
