

std::false\_type

```
classDiagram
    class std_false_type["std::false_type"]
    class srsran_detail_is_std_array["srsran::detail::is_std_array< U >"]
    srsran_detail_is_std_array --|> std_false_type
```

The diagram consists of two class boxes. The top box, representing `std::false_type`, is white with a black border and contains three empty rectangular slots. The bottom box, representing `srsran::detail::is_std_array< U >`, is gray with a black border and also contains three empty rectangular slots. A blue arrow with an open triangular head points from the top of the gray box to the bottom of the white box, indicating an inheritance relationship.

srsran::detail::is  
\_std\_array< U >
