The diagram shows two class boxes. The top box is white with a black border and contains the text 'unique_ptr< srsran::dft_processor >'. It has two empty rectangular compartments below the text. The bottom box is gray with a black border and contains the text 'srsran::ofdm_demodulator_common_configuration'. It also has two empty rectangular compartments below the text. A blue line connects the bottom of the top box to the top of the bottom box. On this line, there is a blue diamond symbol pointing towards the bottom box. To the right of the line, the text '+dft' is written in gray.
