

std::true_type

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'std::true_type'. It is divided into three horizontal sections by two thin black lines. The bottom section is empty. The bottom box is gray with a black border and contains the text 'is_char< char32_t >'. It is also divided into three horizontal sections by two thin black lines. A blue arrow points from the top center of the gray box to the bottom center of the white box. The arrow has a blue outline and a white fill.

is_char< char32_t >
