

std::false_type

```
classDiagram
    class is_char["is_char< T >"]
    class std_false_type["std::false_type"]
    is_char --|> std_false_type
```

The diagram consists of two rectangular boxes. The top box is white with a black border and is divided into three horizontal sections. The top section contains the text 'std::false_type', while the two bottom sections are empty. The bottom box is solid gray and also divided into three horizontal sections. The top section contains the text 'is_char< T >', while the two bottom sections are empty. A blue arrow with an open triangular head points from the top section of the gray box to the bottom section of the white box.

is_char< T >
