

std::true_type

```
graph BT; A["is_contiguous< std::basic_string< Char > >"] --> B["std::true_type"]
```

The diagram illustrates an inheritance relationship. At the bottom is a gray rectangular box divided into three horizontal sections. The top section contains the text `is_contiguous< std::basic_string< Char > >`. A blue arrow points upwards from the top edge of this box to the bottom edge of a white rectangular box above it. The white box is also divided into three horizontal sections, with the top section containing the text `std::true_type`.
