

uint8\_t

The diagram illustrates a pointer relationship. At the top, a white box labeled 'uint8\_t' is divided into three horizontal sections. A blue line descends from the bottom section of this box to a blue diamond. This diamond is positioned at the top of a larger, gray-shaded box. To the right of the blue line, the text '+comb\_offset\_n8\_r17' and '+cyclic\_shift\_n8\_r17' is displayed in a light gray font. The gray box at the bottom is also divided into three horizontal sections. The top section contains the text 'asn1::rrc\_nr::srs\_res\_s::tx\_comb\_n8\_r17\_s\_', while the two bottom sections are empty.
