

atomic< uint32_t >

The diagram consists of two rectangular boxes. The top box is white with a thin grey border and is divided into three horizontal sections. The top section contains the text 'atomic< uint32_t >'. The bottom section is empty. A blue line descends from the bottom of this box, ending in a blue diamond shape that points to the top of the bottom box. To the right of this line, the text '+num_small_allocs' is written in a light grey font. The bottom box is grey with a thin grey border and is also divided into three horizontal sections. The top section contains the text 'srsran::rlc_tm_tx_metrics' followed by '_atomic_lower' on the next line. The bottom section contains a '+' sign followed by 'reset()' on the next line. The middle section is empty.

+num_small_allocs
