A diagram showing a variable `srsran::fapi::ul_bwp` and its relationship to the variables above. The variable is represented by a gray box divided into three horizontal sections, with the text `srsran::fapi::ul_bwp` in the top section. Two blue lines originate from the top of this box. The left line curves upwards and to the left, ending at the bottom of the `uint8_t` box. The right line curves upwards and to the right, ending at the bottom of the `uint16_t` box. Each blue line has a small blue diamond shape at its connection point to the `srsran::fapi::ul_bwp` box.
